

# 2020 Cabarrus County CROP Hunger Walk

**What Is It?** The Cabarrus County CROP Hunger Walk is a great opportunity for our church family to work together by donating money and time to end hunger in our community and in the world. This event includes a 1 mile and 3 mile walk. Fun for all ages.

As COVID-19 continues to impact our community, hunger remains a crucial issue and the needs have become even more urgent this year. The Cabarrus County CROP Hunger Walk is committed to continuing the fight against hunger in our community as well as globally. With your help, we will respond to the COVID-19 crisis by supporting the hunger fighting initiatives of our local agency partners (Cooperative Christian Ministry) and Church World Service.

**When Is It?** Sunday, October 11th. The walk starts at 1:30 PM. This year the CROP Hunger Walk Planning Team is developing an event that is taking all necessary health and safety precautions for our participants. We will be modifying the Walk to be more of a virtual

event with walkers continuing their fundraising efforts and committing to participate with appropriate social distancing, such as walking with their families or in small groups in their own neighborhoods, greenway trails or local parks.

**How Can I Donate?** To make online donations go to <https://www.crophungerwalk.org/cabarrusnc>. Enter this web address into your browser and Select donate.
